

Whitchurch Primary School

Languages Intent

At Whitchurch, the intention of our languages curriculum is to develop an interest in and thirst for learning other languages. In addition to this, we hope to deepen our pupils' understanding of the world by building up their awareness of similarities and differences between cultures. We seek to do this by introducing the learning of the French language and the understanding of its culture in enjoyable and stimulating ways. Our aim is also to embed the essential skills of listening, speaking, reading and writing and lay the foundations for future language learning.
