

Hello !

If you are doing the treasure hunt this weekend, these are the clues that you are looking for.

All of the clues look the same as this and are laminated. They may be hidden on, under, inside or just close to the clue destination, so hunt around !

Whitchurch Walkabout Family Treasure Hunt

CLUE 1

You made it to the locked school gate,
But you need the key to the treasure
To unlock the chest at the end of the walk,
Just follow these clues at your leisure.

The next clue can be found by anyone !
There's no need to be one in a million
Your chances are much better than that
If you head to the cricket

If you cannot find any of the clues (if, for example, some kind soul has removed them), then you can find all of the clues on our new curriculum website

www.wpscurriculum.org

By clicking on the school logo on the homepage. But please only use this as a last resort if you are stuck !

We hope you have fun and find the treasure tokens at the end :-)

I'm a Lane that's not 'west of the grass'

Now that you've found the final clue

There's just one thing more that you have to do...

You must solve the riddle to open the chest

And claim your token to finish this quest

0101 is the first of the year, and

1402 is for Valentines dear.

3105 is the last day of May

But which 4 numbers are Christmas Day ?

*Please take your token into school on Monday to
exchange it for a prize, and don't forget to change
the combination of the lock when you close it for
the next person to find !*
