## PSHE Intent

At Whitchurch, PSHE is at the core of what we do and enables our children to become independent, confident, healthy and responsible members of society. We want our children to have high aspirations and a belief in themselves. Our PSHE curriculum develops learning and results in the acquisition of knowledge and skills which will prepare children for life in modern Britain to help them understand how they contribute to the world.

Our Relationships and Sex Education enables our children to learn how to be safe, and to understand and develop healthy relationships, both now and in their future lives.
